

# AIMING FOR SUCCESS

## ABOUT THE APA

Since 1979, the American Poolplayers Association (APA) has been the leader in amateur pool, providing a fun and exciting League experience to millions of people.

As part of its championship lineup, which includes the World Pool Championships, APA is also proud to host the APA Junior Championships each summer. There, hundreds of kids come together for an experience unlike any other!

## BENEFITS OF THE APA JUNIORS • AGES 7-18

The APA Juniors Program was created to inspire our youth through the excitement of pool! From beginners, to more experienced players, all skill levels are welcome. The APA Juniors Program is a great way to get kids out of the house, competing with others, learning strategies and having a blast!

- **Learn Good Sportsmanship**  
Teaches kids how to be a good sport at an early age—win or lose, it's all about having fun!
- **Work Well with Others**  
Playing with others helps kids develop their social skills!
- **Be Competitive**  
Instills a healthy competitive drive that benefits kids for years to come.
- **Make New Friends**  
They'll meet lots of other kids and create lasting relationships.
- **Learn the Game**  
A sport enjoyed by kings and noble men for centuries, much like golf, pool is a sport that can be enjoyed throughout a lifetime.
- **Play it Safe**  
Unlike many sports, pool has virtually no risk of injury.
- **Sharpen Geometry Skills**  
Becoming a successful poolplayer requires strategic thinking and Geometry—that's right, pool can help develop a child's math skills!
- **Build Confidence**  
Developing skills, learning a new sport, and meeting lots of kids builds confidence!
- **Compete in a National Championship**  
Join hundreds of other Juniors players to compete for the Championship!
